

**JOWI**<sup>®</sup>

Mobile  
Storage Systems

**How do YOU make  
sure that your working  
material is always  
within easy reach?**

Location: Tischlerei Krumböck, Gerersdorf, Austria

**Simply solutions.  
With JOWI Mobile Racks  
and Transport Racks,  
your material flow  
never stops flowing.**

**Everything always  
exactly where you need it.  
Everything always  
exactly how you need it.**

JOWI Mobile Racks and Transport Racks are mobile intermediate storage solutions that ensure: the material you need is always within easy reach.

- Store both small and large shaped parts, material for varnishing, cupboard carcasses, rods, boards, frames etc. on one single rack.
- Remove material in any order, with easy access to every part.
- Push your stock around easily, whenever and wherever you need it.

**JOWI Mobile Racks and Transport Racks.  
Keeping things going.**

A close-up photograph of a hand holding a light-colored wooden plank. The plank is being held in a rack system consisting of several vertical wooden posts and horizontal yellow bars. The background is a plain, light-colored wall.

## Maximum productivity

- **Racks for clearly arranged and well organised manufacturing material**
- **Easy access to every part** in any order
- **Intermediate storage system**, mobile and compact: easy for one person to manoeuvre in tight spaces. Your material moves through the production process, exactly as the changing workstations require.

## Tidy and secure

- Stacking surfaces covered with plastic to protect your material, tolerate varnish and oil
- Rack can be secured by lockable castors
- Space optimisation: separated storeys look after your material.

## Simple and flexible

- **Adjustable storey height** – simple system with hexagon socket set screws.
- **Fully adjustable rack length** in scissor model designs – quick and easy to adjust.
- **Stackable.** Compact. Ingenious.

## What professionals say

Transport is always a waste of time but is an unavoidable necessity – which is why it is an excellent starting point for increasing efficiency.

Many of my customers have enjoyed significant time and cost savings as the direct result of JOWI racks.

*Martin Buck  
buckOPTIMAL, Carpentry workshop organisation consultancy,  
48149 Münster, Germany*

JOWI products aren't cheap, but they are a worthwhile investment, because in the end you save money in the production.

The JOWI Octopus D1 spray table is the best solution I ever saw and tried out. Well done.

*Alexandr Andricov  
Woodman  
8365-138 Armacao de Pera, Portugal*

We have been using the JOWI Mobile Racks for some time now.

I was impressed by how efficiently our order was managed and the mechanical quality of the Mobile Rack.

I received extremely courteous service from JOWI and wouldn't hesitate to recommend the company and their products.

*Satisfied customer, Switzerland*

**Getting your material flowing.**

**Standing up or lying down. It's your call.  
Perfect for grouping material together,  
according to customer orders.**

Organise the storage and transport of your material, e.g. sorting by contract.

**For all material – large, small, narrow,  
wide, long or short.**

Choose a rack design tailored to your particular storage needs.

**100% sturdy. 100% protection.**

The compact solution for storing and transporting your material flexibly and carefully in separate customisable compartments and storeys.

**JOWI. Quality, made in Austria.**
